I came to attend your Monday service a few months back where God told you that many sitting in the studio will get their own property this year and the cup will overflow... Praise the Lord... He blessed us with a big house in July and our own restaurant business on September 1st... I am so so so thankful to Him for all His promises that He fulfills and for His love – God bless you abundantly

During your healing service, I felt a breeze on me like the wind and I was healed of asthma. You called it out, but I was so far away I did not come to the stage. It has got me so excited because I want to go deeper with God.

I want to thank God for using you to give me a total healing. I was watching you on Youtube. As you were praying, you made mention of someone who had a pain in his hip joint. After that prayer, some days later I noticed that pain is gone. Praise the Lord.

Recently you prayed about people who were trying to do wrong things by using the legal system. For months I faced a situation with my small business which up to now has been very successful. The landlord became very jealous, stole two months’ rent, and then tried to kick us out of the shop. I prayed continually that the Holy Spirit would bring conviction, and yesterday we signed a 12-month lease.

not just a prayer shawl...

It's the transfer of a mighty anointing on your family, on your finances, and your health!

God specifically placed it on my heart for Nigerian Pastor Chris Oyakhilome and me to lay on hands on our prayer shawls, transfer the anointing, and use them as a point of contact between us. The anointing makes all the difference in the world! Look at what God did through the 120 disciples who tarried in one accord together in the Upper Room. They were all filled with the Holy Ghost (Acts 2:4), and God used those anointed believers to take the Gospel of Jesus Christ throughout the known world.

Today, with your prayers and seed-gifts, the life-changing and miracle-working Gospel of Jesus Christ continues to spread as a monument to the first-century band of anointed 120 followers!

You and your family will cherish this beautiful Messiah Prayer Shawl—a tallit heirloom that will be an expression of your heritage of redemption, faith, prayer, and miracles, as well as a point of contact for the anointing and answered prayers during this significant season of supernatural blessings.

Use the enclosed reply to request an anointed Messiah Prayer Shawl today so you’ll have it in time to use as the point of contact between you and me on our upcoming Good Friday Day of Prayer. I want you to be connected to the anointing that will surely flow in a significant way as we join together in faith for your most urgent needs!
ANONYING FOR MIRACLES

God has been moving mightily during recent services, and the time I experienced in our studio with the remarkable Nigerian church leader, Pastor Chris Oyakhilome, was especially significant.

As we were ministering the Word, the power of God hit and supernatural manifestations swept across the audience beyond anything we’d ever witnessed. The anointing was incredibly strong, and as the service progressed, I knew I had to find a way to pass this anointing on to those in the meeting.

I realized we had hundreds of our Messiah Prayer Shawls there in the building, and I asked for them to be brought in so we could lay hands on them and transfer the powerful anointing onto them.

As these shawls were handed out, the anointing began transferring onto the people who held them. And I knew immediately we needed to lay hands on even more prayer shawls so I could send them to my partners.

Even in the Old Testament, God used points of contact to bring miracles to His people and usher them into a new level of understanding, faith, anointing, and miracles. The prophet Elijah had a monumental anointing on his life, and as he grew older, God sent Elisha to assist him. When the time came for Elijah to be taken away in a chariot of fire, the younger prophet, Elisha, asked for a double anointing. The symbol of the remarkable transfer of the anointing was Elijah’s mantle, or cloak, that Elisha received (2 Kings 2).

In all four of the New Testament gospels, we see Jesus performing miracles—prophetically fulfilling the miracle. The woman with the twelve-year issue of blood was healed when she touched the hem and fringes of Christ’s garment (see Matthew 9:21-22). When she reached out to touch his feet, she was not only reaching out in faith to Jesus but also connecting with God’s Word and His anointing! Jesus Himself said, “Thy faith hath made thee whole” (verse 22). It was her faith, and His prayer shawl was the tangible point of connection between us.

As these shawls were handed out, the anointing began transferring onto the people who held them. And I knew immediately we needed to lay hands on even more prayer shawls so I could send them to my partners. But first, I want to help you understand more about the anointing for miracles and this season that we’re experiencing.

THE TRANSFER OF THE ANOINTING

We know it is our Lord’s power that causes miracles to happen, and it is the believer’s faith that accesses His power.

Paul, who met Jesus on the Damascus road, was subsequently called to be a powerful witness of Christ’s miracle-working power (Acts 9). He had such a strong anointing that even those far away were healed when they were brought “handkerchiefs or aprons” which Paul had touched (Acts 19:12).

Similarly, the anointing on the apostle Peter was so strong that even those touched by his shadow were healed as he passed by (Acts 5:15).

It’s not the person or object touched that counts. Frankly, God can use anything He wants to cause miracles to happen! What matters is the person’s faith in our Lord and His power to save and heal.

THE NEED AND SIGNIFICANCE OF THESE ANOINTED PRAYER SHAWLS

There are three reasons why it’s so important to me to get these anointed prayer shawls into your hands as quickly as possible:

1. The anointing that flowed during the service with Pastor Chris Oyakhilome was incredibly strong. As God led us to lay hands on the Messiah Prayer Shawls and transfer this anointing, I knew we was going to spread like wildfire.

2. My faith for supernatural blessings and healing is extremely strong right now, and I don’t want you to miss this moment. Anointing, praying over, and using a prayer shawl are directly linked to our faith in Jesus and dependence upon God to work miracles in our lives. It’s up to each of us to simply exercise our faith in God for the miracles to happen.

3. I want to connect my faith with yours—just as Pastor Chris and I joined our faith as a powerful anointing spread throughout our studio that night—especially in anticipation of our Good Friday Day of Prayer. And our anointed Messiah Prayer Shawl will serve as a tangible point of connection between us.

I know I have that I know we are in an unprecedented season that will bring wave after wave of miracles like we’ve never seen before! Something is truly happening in the Spirit that heralds a season that is bringing a tidal wave of miracles to those who are aware of what God is doing and are willing to take an unusual step of faith!

And during our Good Friday Service, I will join many faithful partners and powerful prayer warriors at our studio in California and others around the world who will be praying through us, our website, Atmosphere for Healing Network, and on social media.

We will spend time in worship, communion, and prayer, and I want you to be connected to the anointing that will continue to flow in a significant way as we connect in faith, according to Matthew 18:18, 19 for your most urgent needs.

You and your family will cherish this beautiful Messiah Prayer Shawl! The Torah gave the command to wear “fringes” on the corners of a four-cornered tallit, especially during prayer (Numbers 15:38-39).

Today, you can literally cover yourself with the Hebrew tallit in beautiful white with distinctive blue stripes and metallic gold accent threads. The necklace features the prayer (written in Hebrew), “Blessed are You, O Lord, King of the universe, who has fulfilled all of the law through Jesus the Messiah and has covered up His name.”

The Messiah Prayer Shawl is patterned after the garment that Jews, including Jesus, were required to wear. These fringes are tied in a specific way to symbolize God’s law and His name, and four timeless scriptures—Isaiah 61:10, Malachi 4:1-2, Matthew 14:36, and Corinthians 5:21—are sewn into the four corners.

With this anointed prayer shawl—a point of connection between us—we honor the Messiah’s fulfillment of prophecies and the depth of His love for us. It is His choice to come to earth and offer Himself on Calvary for our sins.

You and your family will cherish this beautiful Messiah Prayer Shawl—a tallit that will be an expression of your heritage of redemption, faith, prayer, and miracles, as well as a point of contact for the anointing and answered prayers during this significant season of supernatural blessings.
